

# Acrylic Countertop Display Case Assembly Instructions

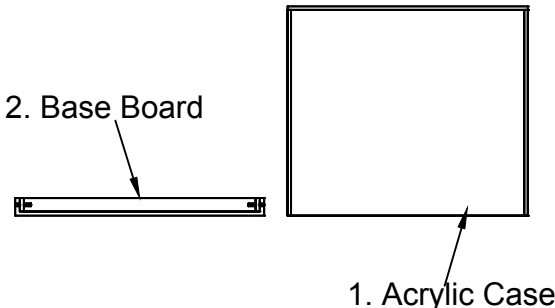

Parts:

- 1. Acrylic Case
- 2. Base Board

Hardware

- 3. (2) Flat Head Screws
- 4. Phillips Head Screwdriver

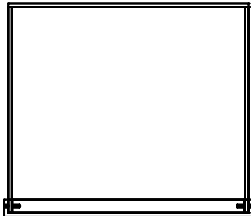

Figure 1

Attach the Acrylic Case to the Base Board.

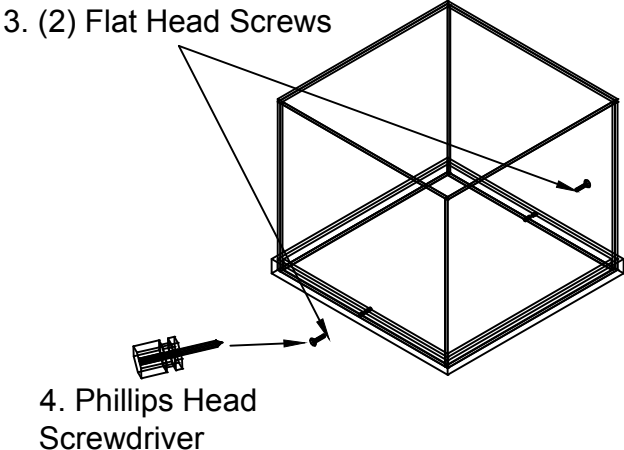

- 1. Position the Base Board and Acrylic Case on a clean flat surface.

Figure 2

- 2. Place the display item on the Base Board. Align the pre-drilled holes in the Base Board with the threaded inserts in the Acrylic Case.

Figure 3

- 3. Using the provided screwdriver, connect the Base Board to the Acrylic Case with (2) Flat Head Screws as illustrated in Figure 3.

Assembly is finished.
