

# ASSEMBLY INSTRUCTIONS

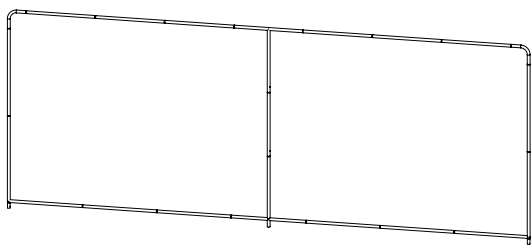

## STFR20R - 20FT Wave Series Straight Frame

### Frame Installation

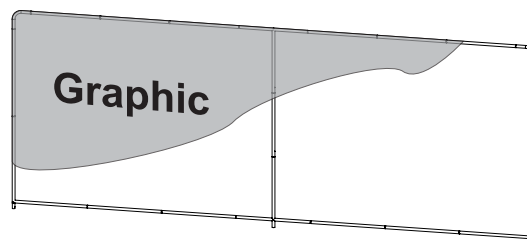

Step 1: Some tubes are labeled with numbers for easy assembling. Connect tubes with matching numbers, and the remaining tubes all together to make up the frame.

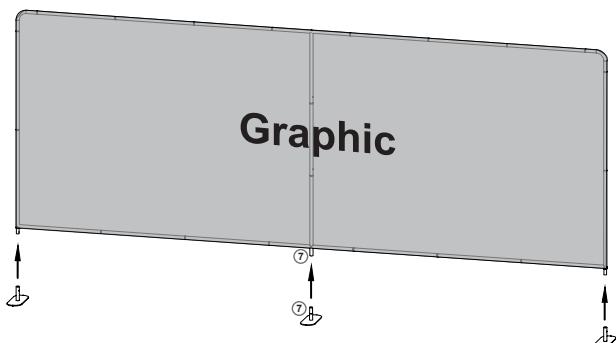

Note: Do not install the legs at this time.

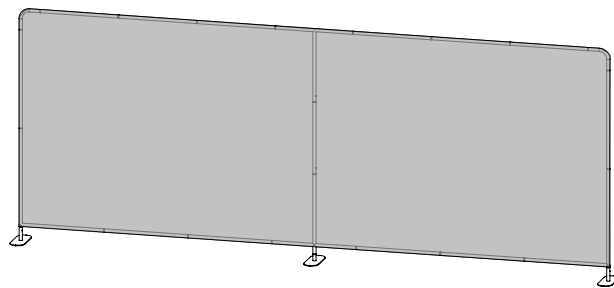

Step 2: Wrap the graphic fabric around the assembled frame and secure all edges and corners.

Step 3: Install all legs to the corresponding tubes.

Step 4: The installation is completed.
