

# Battery-Operated LED Prize Wheel Assembly

## Included Parts

Tabletop LED prize wheel includes H-Shaped Stand, Upright with clicker, LED Wheel, Hardware & Charger.

## Step 1: Setup Stand

Use included screws and wingnut washers to attach upright to H-Shaped Stand.

## Step 2: Attach Wheel to Upright

Insert large screw extending from rear of prize wheel into hole in upright. Secure with wingnut washer.

## Functioning & Charging

Small button on the rear of the prize wheel will turn it on or off.

Insert adapter into charging port and plug into wall to charge.
