

# User Manual

Thank you for ordering table tablet kiosk stand. Let's start setting it up!

## Parts you will find

① Enclosure case

② Aluminium Stand

⑤ Screw 4pcs

⑥ Screwdriver

③ Black liner sheet 3pcs

④ Foam 3sets

⑦ 3M Sticker 4pcs

Before assembling please prepare the extension cable if you want power routing through stand. Cable not included

## Step2 Enclosure case Connection

Fix the **Enclosure case** to the **Aluminium stand** by 4 screws.  
Please double check every screw is tightly screwed in place.

### Step3 Install your Tablet Device

Open the **Case** and add **Insert foam**

Add **Tablet PC**

Add **Black Liner Sheet**

Close the **Case** and press the **Lock Button** to lock

If want the base fix on table, you can add the 3M sticker on the bottom of stand.

### Kensington Security Slot

A Kensington Security Slot can be found on the stand. A Universal Computer Security Cable can be attached to this slot to add an extra theft deterrent.
