

iPad Podium Kiosk Install Guide

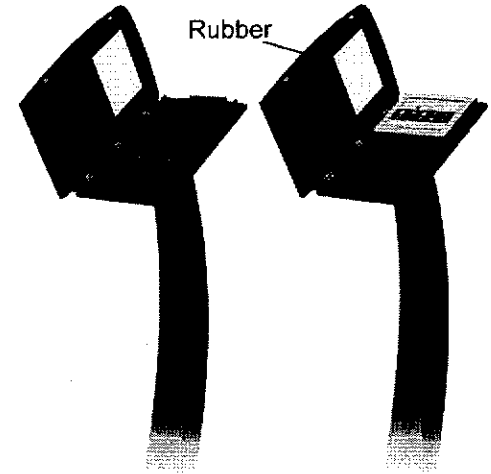

1: Install the stand onto the base.

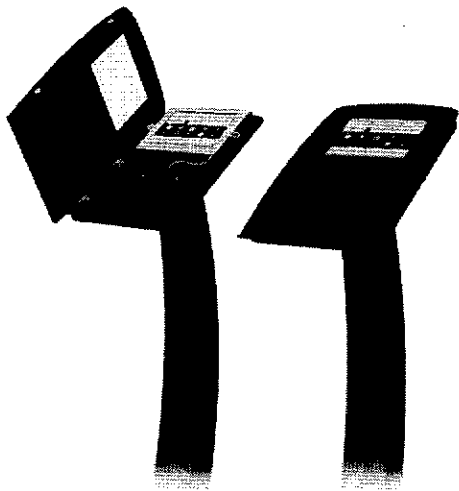

2: Install the iPad enclosure onto the stand.
The iPad enclosure can be installed in both portrait and landscape models.

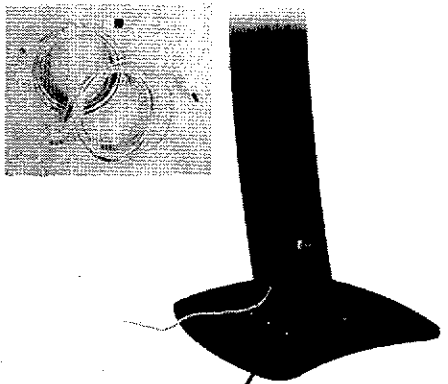

3: Check rubber and put iPad into the enclosure.

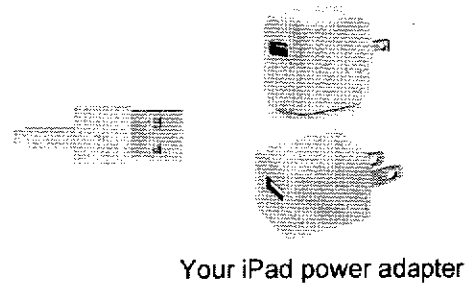

4: Connect power cable onto iPad, close the front cover and lock it.

5: There are 2 pcs iPad power lines in box. 1 line is used in iPad 2 or iPad 3, another is used in iPad 4. Please take out USB port after you connected power cable onto iPad.

6: Connect USB port to your power adapter.
