

ART MOUNTING INSTRUCTIONS

LPANEL Series

1 Center artwork on front of lectern by using tape measure.

2 Use level to straighten panel.

3 When satisfied with placement, peel adhesive tape and evenly press into place.

PLEASE NOTE:

This panel uses a high-strength bonding tape. Do not allow tape to touch the surface of your lectern until you are completely satisfied with placement.

Attempting to remove panel once the adhesive has been applied may ruin the panel.
