

4pc pole set

Available for NSF and NSFB flags.

1) Telescope poles pieces as shown in image to the right. Be sure that dimples are on top.

2) Slide flag onto pole kit straight from the curved end. (Pole D)

3) Slide pole kit into your purchased mounting hardware or ground.

Dimples to lock poles. Be sure they are on top when telescoping

Image of assembly without flag

BE SURE THAT DIMPLES ARE ON TOP!
