To change the Batteries

- Lay the wheel face down on a flat, soft surface.
- Loosen the Velcro strap enough to remove the battery pack.
- Turn the battery pack over so that the screw is exposed.
- Remove the screw. (The screwdriver is included in the hardware pack)
- Remove the battery compartment cover.
- Insert 3 AA batteries into the battery compartment making sure polarity is correct.
- Replace the battery compartment cover and screw into place.
- Place the battery pack back into the wheel with the on/off switch facing out.
- Tighten Velcro strap to secure the battery pack in place.
- Repeat for the other battery pack.

*Takes 6 AA batteries. Batteries included in box.
