

# SS15A Sidewalk Sign Assembly Instructions

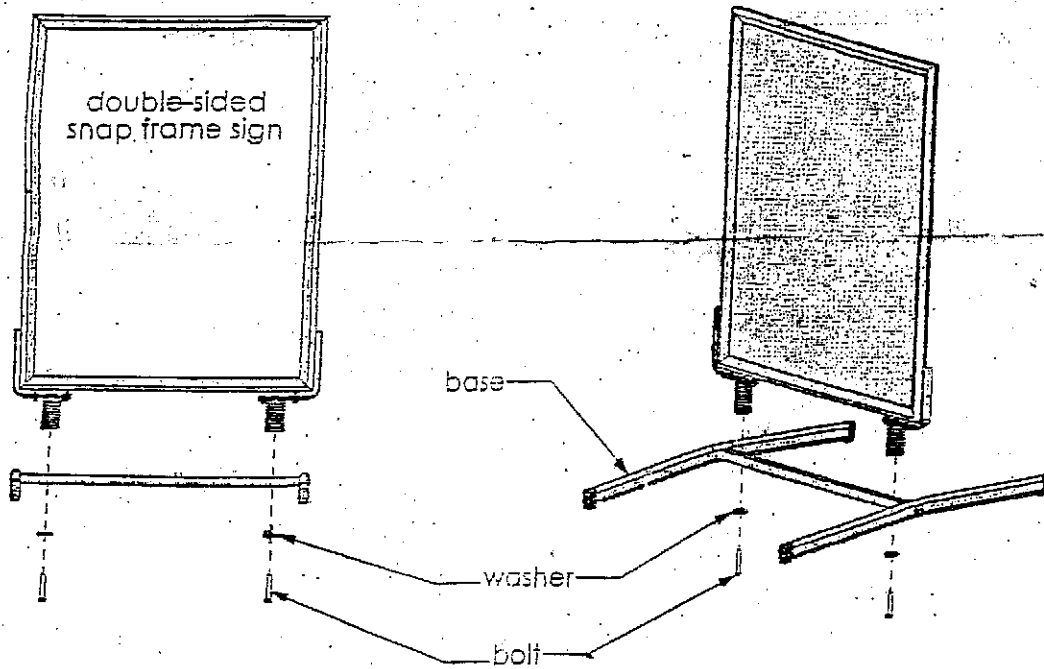

## Hardware & Components:

- (1) Double-sided Snap Frame Sign w/ springs
- (1) Base
- (2) Washers
- (2) Bolts
- (1) Wrench

## Step #1

Begin by unpacking all components and hardware to ensure that all pieces are present. After unpacking the unit, simply attach the Base to Snap Frame by inserting the (2) bolts through the holes in the bottom of the Base and threading them into the bottom of each spring. \*\*\* It may be necessary to ask for assistance.

## Step #2

After the Snap Frame Sign is securely attached to the Base, simply open the frame sides, place your graphic(s) under the lens, and close the frame sides to begin enjoying your new sidewalk sign.
