

# Teepee Clothing Rack

## Assembly Instruction

			
(A1+A2) Inner Side Panel with Rod holes(2pcs)	(B1+B2) Outer Side Panel with Screw holes(2pcs)	(C1+C2) Bottom Support Bar (2pcs)	(D) Wood Rod (3pcs)

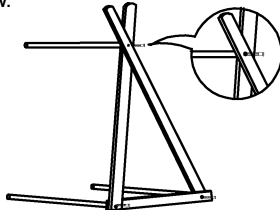

### Step 1

Place outer side panel (B1) over inner side panel (A1) to create an X as shown below. Insert wood rod (D) in the top hole of inner side panel (A1) and fasten using screws (E)

### Step 2

Place bottom support bar (C1) on bottom of inner side panel (A1) and outer side panel (B1) using screws (E). Screw 1 hanging rod (D) into top hole of inner side panel (A1) where the X forms as shown below.

### Step 3

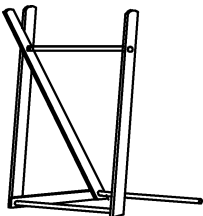

Insert 2 wood rods onto bottom of side inner side panel (A1) and outer side panel (B1) and fasten using screws (E)

Hardware		
NO.		QTY
E		8

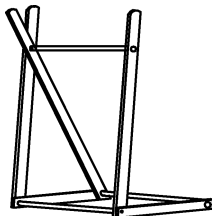

### Step 4

Insert the other side of the wooden rods (D) into the top and bottom holes of inner side panel (A2) and fasten using screws (E)

### Step 5

Fasten bottom support bar (C2) to bottom of inner side panel (A2) and wood rod (D) using screws (E)

### Step 6

Place outer side panel (B2) over inner side panel (A2) to create an X and fasten both the bottom and the top using screws (E)
