WMSO Series Installation Instructions

1. Separate each standoff from the base.

2. Attach the standoffs to the four locations on the sign holder.

3. Place the sign holder at desired location and mark each standoff location on the wall.

4. Drill holes in the center of each marked spot. Insert wall anchors.

5. Install the bases with the included screws.

6. Place the sign holder over the bases and tighten the set screws on the sides of the standoffs.
